Notes:

- 1) Except for rural Fairfield, all Elementary School Sites have two 2-yard bins for a daily capacity of 4-yards. Emerson has four 2-yard bins, for a weekly capacity of 16 yards.
- 2) Waste minimization initiatives at Holmes Intermediate School and other Sites are in development.
- 3) Population includes Students, Staff and Certificated Staff
- 4) All volumes are estimates, based on the number of bins located onsite.
